

RELEASE FORM

The policy of The Wichita Independents is that we are responsible for all athletes from the time of our departure and until the time we return to our location. However, we understand there may be occasions when you will want to take your athlete home with you, instead of allowing them to ride home with the team. We prefer that this is an exception, not the rule. When an exception must be made the following form must be completed and given to Kim Mudd or a team director.

The insurance policy for Special Olympics Kansas has changed. To ensure that all athletes are covered properly, The Wichita Independents has changed its policy on transportation. All athletes will be required to ride to a State function either with their parents, coach, or a registered volunteer. Athletes will no longer be able to transport other athletes to a state function, unless the proper paperwork has been previously completed.
